Click on the question mark found on the top, right side of the screen.

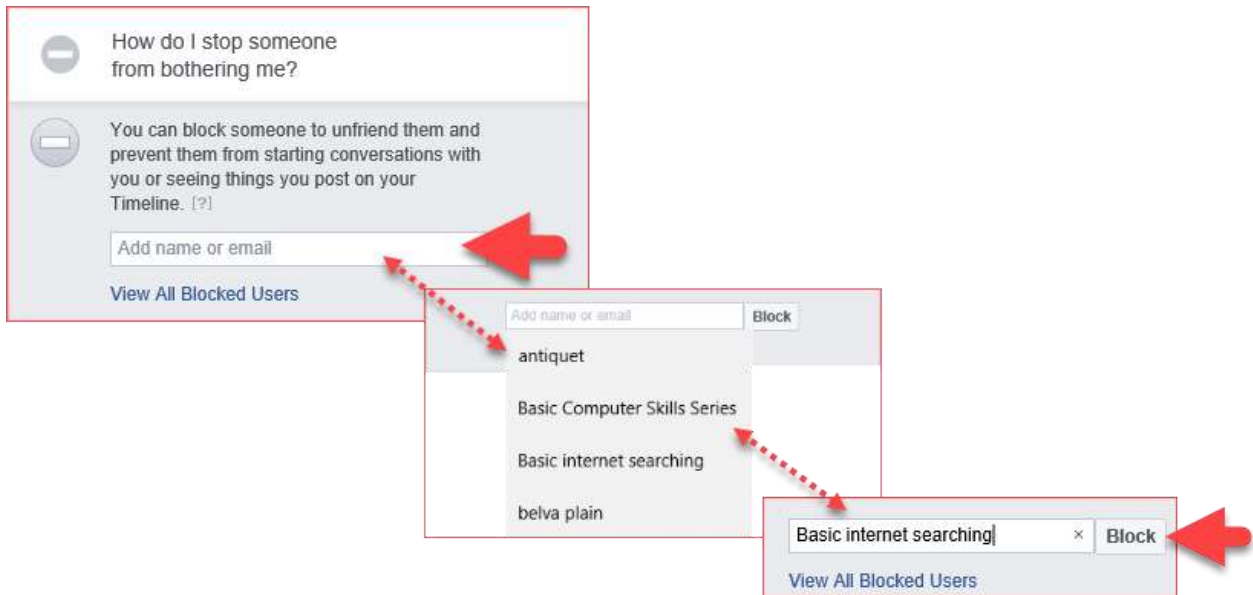

Click Privacy Shortcuts.

Click “How do I stop someone from bothering me?”

## How to Block Someone on Facebook

Enter the name of the person you want to block and click Block.

Select the specific person you want to block from the list that appears and click Block again.

Once you block someone, that person can no longer be your friend on Facebook. They may not interact with you with the exception of certain apps and games that you may both belong to or groups that both of you are members of.
